Invest

Trading Forex & CFDs
is high risk.

Risk Disclaimer: Past performance and profits does not guarantee future results.

Trading Foreign Exchange or CFDs on margin and leveraged products carries a high level of risk, and the possibility of loss should be acknowledged. The Investor should carefully consider his/her's risk appetite, investment objective, or level of experience. The Investor should be aware with the risks associated, and should not invest more than what he/she is prepared to lose. EW4X or its representatives shall not be held liable for such losses, and the Investor shall enter the agreement with full awareness of the associated risks.
